

FISCAL NOTE

HB 1402 - SB 1680

March 13, 2001

SUMMARY OF BILL: Authorizes admissibility of parolee's drug test report at a parole revocation hearing without the presence of the lab technician if the report is accompanied by the technician's affidavit.

ESTIMATED FISCAL IMPACT:

Decrease State Expenditures - Not Significant

The estimate reflects a simplification of the presentation of the drug tests at parole revocation hearings. Currently the parole officer must show *good cause* for the technician not attending the hearing. The provisions of this bill make the parole drugs test statute consistent with the probation drug test statute.
